Acceptable Proof of Residency Documents

One of the documents below must be provided that includes the legal name of one of the parents/legal guardians on the application and the same address that is on the application. The list below includes all acceptable forms of residency documentation. Only the items on this list may be used as residency documentation. The online application confirmation email will specify the dates that the residency documentation must be dated between. All residency documentation must be dated between three (3) months prior to the start of the open application period in which you submit the online application to the school and the end of that open application period. See the lease agreements option below for the lease agreement date requirements.

1. **Wage statement or W2 year-end earnings statement (i.e. Form W2 Wage and Tax Statement).** Note: W2 year-end earnings statements are not acceptable for applications received after April.
2. **Water, sewer, gas, electric, cable, satellite, or landline phone bill.** Cell phone bills are NOT acceptable. The bill must be for services at the address on the application and have a mailing address that matches the address on the application. The date that is used to determine if the bill meets the date requirements is the bill date or the last meter reading date on the bill.
3. **Letter from the water, sewer, gas, electric, cable, satellite, or landline phone utility,** regarding these utility services at the address on the application. This letter must have been sent to the address on the application. Examples of this letter include a letter from the utility company establishing service at the new address or a past due letter sent to address on the application for service at that address.
4. **Governmental correspondence.** Examples include a property tax bill, Supplemental Security Income "SSI", Wisconsin Works "W2", FoodShare, United States Postal Service, or Housing Assistance letter. Printed statements from Access.gov can be used as residency support if the statement is during the required period.
5. **Signed and dated lease agreement with a term that includes the date the parent applies to the school** (must be complete and legible) that is in the name of one of the parents/legal guardians at the address on the student application. Expired leases are NOT acceptable. Generally, the parent should try to provide one of the allowed residency documents other than a month-to-month lease. However, if a month-to-month lease is used, it must be dated between three (3) months prior to the start of the open application period in which you submit the online application to the school and the end of that open application period. Rent receipts are NOT an allowed residency document.
6. **Homeless individuals** may identify a location for their residence if it is an identifiable location which could conceivably serve as a temporary residence. A homeless family should provide a letter on the organization's letterhead from a shelter for the homeless or from a private or public organization providing services for homeless individuals signed and dated within the required time period by a representative of the organization.
7. Properly completed **Alternative Residency Verification form** (Form PI-PCP-51) only for situations where: (a) the student is not living with one of his or her parents or legal guardians; or (b) one of the parents/ legal guardians does not have one of the residency documents above and someone else living at the address on the application is able to provide one of the residency documents in 1 through 5 above for the family.
8. **Safe at home card.** Families participating in the Safe at Home program through the Wisconsin Department of Justice may provide a Safe at Home card for the residency documentation until the card's expiration date. Families participating in the Safe at Home program should identify the address on the Safe at Home card in the online parent application. The parent should identify the school district on the application based on the address where the student actually resides.

Acceptable Proof of Income Documents

We encourage families to choose the DPI (Department of Public Instruction) Income Eligibility Determination Method on the OAS application. Then provide us with one of the following listed below. Families may also use the **DOR (Department of Revenue) Method** as indicated on the online application, but if they do not qualify, they will not be able to apply again until the next school year. You don't need to turn in any documents if using this method.

- Provide to our school during the open application period in which you applied, a 2020 federal 1040 tax return, (2 pages with the adjusted gross income, signed and dated by both parents if a joint return). The Adjusted Gross Income amount must match the online Parental Choice application amount.
- If a federal income tax return was not completed, the parent must indicate on their OAS application what 2020 income the family received. This includes indicating if the family had: wages included on a 2020 W2 tax form, a final December 2020 earning statement, any 2020 1099 tax forms or any cash income.
- At the end of your online application, it will indicate what financial documents you must bring to the school during that open application period.
